Smart about Your City, Your Culture and Your Safety

IPC understands the needs of downtown districts and what it takes to create a vibrant and thriving downtown environment. Recognizing hospitality as a key to this, IPC staffs downtown districts with knowledgeable and friendly ‘ambassadors’ for visitors, businesses and residents. We combine streets smarts and service to deliver a helpful, reassuring presence in your downtown district.

“[IPC and its staff] are professional, dedicated, and diligent in their work and the results are evident. As a result of IPC’s cooperation with the West Palm Beach Police Department, the incidence of crime has been nearly cut in half with an approximately 40% decrease over a two-year period.”

— Raphael Clemente, *Associate Director*
Downtown Development Authority, West Palm Beach

“Our unique partnership with IPC has made an incredible impact throughout our downtown district. We are delighted to have IPC International helping us keep our city safe and clean.”

— Delsa R. Bush, *Chief of Police*
West Palm Beach Police Department
